AltWheels Fleet Day Returns to Norwood, MA on October 6

Drive the Future: Clean Fleet Smart Systems

Norwood, MA – September 15, 2025 – AltWheels announced today that the 22nd annual AltWheels Fleet Day will take place on Monday, October 6, 2025, at the Four Points by Sheraton in Norwood, Massachusetts. This premier one-day conference brings together corporate and municipal fleet managers, policymakers, technology providers, and clean-fleet advocates to explore the latest solutions for reducing emissions and lowering transportation costs.

“AltWheels Fleet Day is all about creating real connections and actionable solutions,” said Alison Sander, Founder of AltWheels. “This event convenes leaders across the public and private sectors who are working to accelerate the transition to cleaner, more resilient fleets.”

AltWheels Fleet Day is the sustainable transportation event in the northeast. Attendees will also enjoy 2 keynote speakers, 5 panels, 37 speakers, 35 indoor Exhibitors, 8 Lunch With Experts topics, a Vehicle Showcase featuring Ride-and-Drive opportunities. AltWheels has 35 sponsors and 24 co-hosts helping to educate attendees and serving as resources.

This year’s Fleet Day, presented by indiGOtech, features an impressive lineup of speakers representing government, industry, utilities, and technology innovators.
