Sponsorship Information

Sponsorship of AltWheels is a great way for your organization to reach corporate and municipal Fleet Managers from all around New England.

AltWheels sponsorship can include the opportunity to provide vehicles for ride and drives and featured placement in the event publication as well as booth space to showcase products and services to Fleet Managers in attendance. Higher level sponsorships include an opportunity for a speaking role at AltWheels Fleet Day. Not only do you reach attendees of the event, but videos of the presentations, as well as speaker powerpoints, remain available on our website following the event. Past videos are archived and still available.

- If a company can't be physically present they can still support AltWheels at the lowest level of \$500 for a website sponsor presence.
- Lowest Level at which you can be exhibitor (inside space or ride and drive): \$750 Green Sponsor and up
- Lowest level at which you are guaranteed a speaking role: \$3,000 Gold Sponsor and up
