2019 Fleet Day Keynote Speaker

John Davis

Creator Host & Senior Executive Producer

An Emmy® Award-winning producer, host and creator of MotorWeek, television's original and longest running automotive series, John Davis can be seen and heard throughout the U.S. on public television stations and the Velocity cable network.

As outreach, Mr. Davis and the MotorWeek team have worked in recent years with the U.S. Department of Energy to promote public awareness of alternative fuels. We are looking forward to welcoming Mr. Davis at our 2019 Fleet Day!

Is Sponsorship Something Your Company Should Consider?

Sponsorship of AltWheels is a great way for your organization to reach corporate and municipal Fleet Managers from all around New England.

AltWheels sponsorship can include the opportunity to provide vehicles for ride and drives and featured placement in the event publication as well as booth space to showcase products and services to Fleet Managers in attendance. Higher level sponsorships include an opportunity for a speaking role at AltWheels Fleet Day. Not only do you reach attendees of the event, but videos of the presentations, as well as speaker powerpoints, remain available on our website following the event. Past videos are archived and still available.

- **Sponsorships start as low as \$500**
