Our website is the best place to find current information. We have our Program, which contains speaker bios, current agenda, and information about the six Lunch With Experts topics (including speaker bios). We have registration links, sponsor information, a layout of exhibitors, and much more. In order to save on waste, we will NOT print this program for AltWheels Fleet Day, so please download and print if you would like to follow along. We will have a printout of the agenda available at registration.

We are asking guests to sign up for their desired **Lunch With Experts Table** in advance. Space is limited for each table and table attendees will be based on a first come first served basis. We will "close tables" when they are full. If tables aren't full by the day of the event, guests may sign up that day. There are six table options. You must be registered for the event to choose your Lunch With Experts Table. If you don't choose a table, you will be in Open Seating.
